

# Feboclean FL

## Ink Dissolver

---

Feboclean FL is used to remove dried-on ink residues from machine components.

*Application*

- 
- high ink dissolving performance
  - removes encrusted ink
  - fast evaporating
  - no residues after drying process

*Features*

Apply Feboclean FL with a rag to the machine parts to be cleaned. After that, wash down parts with water.

During application, care has to be taken to avoid that Feboclean FL comes into contact with printing plates or plastic parts (e. g. monitors), because incompatibilities cannot be excluded.

*Note*

Wear protective gloves during application.

-  10 litre can
-  20 litre can
-  200 litre drum

*Package*

Feboclean FL is classified and marked in accordance with EC - Directive 1999/45/EC - in its latest version.

*Marking*
