

BöttcherTex Supreme

Pre-impregnated cleaning cloth

BöttcherTex Supreme is a pre-impregnated cleaning cloth for automatical cloth-type washing units without supply line.

Application

- Pre-impregnated cloth ready to use.
- The intensity of impregnation is adapted to the parameters of the concerned press.
- Packed in vacuum sealed, diffusion tight plastic foil.
- Color of the cloth: according to the need white or blue
- Impregnated with VOC-free solvent, flash point > 110°C
- No drying out of the cloth roll in the press
- Equal distribution of the washing agent in the cloth roll
- Very high cleaning power
- Excellent rip, pick and abrasion resistance → no fibre residues on the blanket
- consistent high printing quality after cleaning process

Properties

• **Attention:** Store horizontally!
